

LOAD LOCK

Secure Your Load!

The Load Lock Holder is a lockable, anti-theft storage system that easily mounts nearly anywhere on your tractor to safeguard your load lock bars when not in use.

Each load lock is individually cradled to ensure no movement — neither side to side, nor up and down.

Load Locks safely secure 1-1/2" and/or 1-5/8" bars and also accommodate 2" x 4" and/or 4" x 4" pads.

PART #: **LLH401**

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov

Security

Prevent unsecure load citations. The lockable anti-theft safety system easily mounts nearly anywhere on your truck to safeguard your load locks when not in use.

Safety

Easy to install system, prevent damage to cab fairing and quarter fenders from side-to-side conventional storage.

Benefits

- OEM quality, heavy-duty aluminum for long life.
- Powder coated to resist corrosion.
- Hinged clamp secures load braces & eliminates the need for rubber straps.
